Snow Closure
Thursday 1 March and Friday 2 March 2018

Dear Parents, Carers & Colleagues,

I have been following the weather forecast for the Met Office and there are Amber Weather Warnings out for Thursday 1 and Friday 2 March replacing the previous Yellow Warnings. The forecast identifies snow on Thursday afternoon with freezing conditions followed by further snow, and then freezing rain on Friday.

Whilst Farnham has escaped the snow today, transport has been affected by the road conditions in the surrounding areas and this has led to prolonged journeys that have affected staff and children. I am also aware that some parents have had to keep their children at home due to the difficulties for transport to access their roads and I do not want to take this risk tomorrow for the journey home nor for Friday.

I am therefore giving notice of my decision now, to close the School tomorrow and Friday. I have looked at all the options and have decided that for the safety of children and staff that this is choice I need to make. I apologise for any inconvenience caused and hope that in notifying you now, it gives you the time to make whatever arrangements are needed.

Please can I also take this opportunity to remind you that the school will also be closed on Monday 5 March and Tuesday 6 March for Inset Days.

Yours faithfully,

Darryl Morgan
(Headteacher)
